Great opportunity to create your dream home in this comfortable 1-story PUD in the heart of Bennett Valley. The exterior is amazing with cement board siding and updated dual-pane windows. Roof, gutters, siding, and landscaping are all association maintained, leaving you to concentrate on transforming the interior to your liking. With a generous floorplan, vaulted ceilings in the living room, and 3 bedrooms and 2 full baths, this spacious townhouse is mostly original and will shine with your updating. There are two private patios for you to enjoy, an attached two-car garage with shelving and laundry hookups (W/D included), and the convenience of a superb Bennet Valley location. About 1/2 mile from Safeway shopping center, and close to regional parks, the townhomes at Bennet View are a great place to call home. Community pool too!
